

# HARDWOOD MOULDINGS

*For the finest in woods ... It's Good's!*

Whether you're an old friend or new to us, **Welcome!**

You should have been here the night the door department worked after hours to meet our deadline - we all had grilled hamburgers, **it was like a big family** working together...

Or the time Bill got his custom mouldings in 24 hours by promising us donuts the following morning ... **it really tickled Bill and we were licking our fingers! ...**

I wish you could have seen the children the night of our company picnic. They loved the train rides. That sparkle in their eyes **gives us a reason to do it right for them ... and you.**

It's more than custom Wood Doors and Mouldings ... **Teamwork makes the difference.** Call us on your next project.

### **The Craftsmen**

*For the finest in woods ... it's Good's!*

for your unique projects!

### **MILL TERMS and POLICIES**

1. Unless otherwise stated, orders will be filled on a random length basis, 3 ft. to 16 ft. bundles, with 85% being 8' or longer, except for crown mouldings, that have 90% being 12 ft. or longer. Specified lengths are available at additional charge.
2. Orders not on account must be paid in full when placed.
3. Special patterns may be over run 15%.

### **WARRANTY and RETURN POLICIES**

1. All mouldings and doors are made from select hardwoods. Natural color variation and mineral stains may occur.
2. All returns subject to restocking and or handling charges. Product not returnable after 30 days.
3. A 15% restocking charge will be applied to all returns. Return items other than standard stock will not be accepted under any conditions.
4. Return of materials must be accompanied by a sales receipt within 10 working days of the purchase. No damaged, soiled, cut or otherwise altered items will be accepted.
5. Defects on material or workmanship must be reported upon receipt and prior to installation. Wood products must be maintained under stable temperature and humidity conditions to remain under warranty. Prompt, proper sealing and finishing is essential to maintain wood stability.
6. All doors must be finished on all six sides.
7. Replacement requests are subject to the inspection and approval of Good's Millwork.
8. Our liability shall not exceed the replacement cost of our product.
9. We reserve the right to change prices and make design modifications without notice.
10. All shortages in orders are to be reported within one working day. Do not expose finish grade products to rain/snow while loading or unloading. Water spots will show up after job site finishing.
11. Any door which is reduced in height or width or altered in height or width in the field voids all manufacturer's warranties regardless of how the finish is applied and cannot be returned for credit.
12. Interior stile and rail doors are warranted for one year from date of manufacture. Manufacturing defects include warpage exceeding  $\frac{1}{4}$ " in the plane of the door, splitting of stiles and rails, delaminating of veneer and glue bleed.
13. Good's Millwork reserves the right to postpone repair or replacement up to 12 months, as it is not uncommon for a temporary warp condition to occur since the door adjusts to local temperature and humidity. This period will not be counted against the warranty.
